RELIGIOUS LIBERTY PRAYER BULLETIN

Please pray for the plight of Christians around the world:

IRAN: Where 14 Christians are presently in prison on account of their faith.

INDIA: Where persecution is relentless as Hindu militants advance their ideology, agenda and terror with impunity.

NORTH KOREA: Where some 70,000 Christians are believed to be struggling to survive in concentration labour camps while as many as 40,000 live imperilled lives of severe hardship as secret, underground Christians. Pray that North Koreans who managed to escape over the frozen Tumen River during the winter will be found by missionaries and rescued in more ways than one.
