RELIGIOUS LIBERTY BULLETIN

Nigeria: Boko Haram Threatens Christians

Since formally linking with al-Qaeda in June 2010, the Nigerian terrorist group Boko Haram has intensified and expanded its jihad against the state, vowing to render Nigeria 'ungovernable'. Christians have been hit hard. On Christmas Day 2011 a massive car bomb exploded outside St Theresa Catholic Church at Madalla, Niger State, just 29km from the federal capital Abuja. At least 42 were killed, most incinerated by the massive fireball that consumed 17 vehicles. A state of emergency has been declared with tanks and troops now patrolling 15 of the most hard-hit local government areas. Boko Haram responded by giving southerners and Christians three days to leave the north or face more violence. The battle for Nigeria has begun - please pray for Christians, the Church and the nation.

PRAY CONSTANTLY 1 Thess 5:17.
Please continue to uphold these people in prayer:

Seng Hock and Luba Yeoh - Restricted Access - Serving as professionals.

Neil and Lisa- Benin - In transition.

Richard and Anne- Chad - Ministry Area Leader, Bible teaching. HIV AIDS ministry.

Keep watching the Notice Board for missionary updates.

Health Concerns

Wendy 's brother Mannie - Praise God the tumour has decreased in size and they contemplate using radiation to complete its removal. Pray that this can occur and with minimal side effects.

Audrey S - Continues to improve and looks forward to completion of the therapy.

Anne R - is making very slow progress. She is happy in herself and anticipates going home in a month. Pray for Barry as he modifies the house and seeks a suitable vehicle to take a wheelchair for her homecoming.

Cynthia H - has had a better week. Pray that the endoscopy will help identify any problem and that the expected gall bladder operation will occur soon.

Stewart P - the benign tumour on the brain was removed successfully - praise the Lord he is recovering well.

Brendan - has been having migraines that are very debilitating. Please pray that he may be healed.

Patrick H - Cousin of Mary P, is undergoing chemotherapy for lymphoma. Please pray particularly for his family as they are going through this difficult time.

George B - Glenyl's Dad, has been in hospital with back problems. Pray that he may recover and be able to return to Villa Vincent.

Baby Ella - Judy's Niece is back in hospital. Looks like she has another leak. Please pray the fluid re-absorbs on its own without the need for further surgery. Hoping and praying that the shunt is not the problem. Will have more blood taken then decisions will be made. Continue to pray for wisdom for the doctors and strength for the family. Judy will travel down this weekend.
